Ms. Chapa:

Juventino Ayala's counsel and I have agreed to conduct a conference call regarding the case at 3:30 p.m. on Monday, August 21, 2023, at 3:15 p.m. This is a conference required by Federal Rule 26 of all parties to reach an agreement regarding contested issues in the case, deadlines for discovery, and other preliminary matters. The Court has required that we file the Joint Report of this meeting no later than August 24, 2023. There is an attached draft that was prepared last summer by your former attorney. The dates will need to be changed, but at least it gives you an idea of what we are trying to achieve. The conference typically takes 30-60 minutes.

To join the conference, call this number at 3:15 p.m.: 8669069888,,,1930690#. You may also be able to "peck" the number from here or the subject line of the email if you have an iPhone. You will hear a series of beeps and then be asked to announce your name. If you are unable to peck the number, you will not be able to dial the commas, so just dial the toll-free number, wait till you are prompted, and dial the second number adding the hashtag. You may need to start with 1. You can call the number an hour in advance to be sure you can get through. Then just hang up when you get to the prompt. This is my personal ATT number, and it will not be in use at that time. No one will answer or hear you.

Kindest regards,
